THE SECRETARY OF THE TREASURY
WASHINGTON

December 5, 1975

Dear Bill:

As you may know, Chuck Cooper has left his job as Assistant Secretary for International Affairs in Treasury in order to devote full time to his job as Executive Director of the World Bank. I am therefore assigning our Assistant Secretary for Trade, Energy, and Financial Resources Policy Coordination, Gerald L. Parsky, to replace Chuck as Chairman of the Economic Intelligence Subcommittee of the NSCIC. If you will let me know who has officially replaced Bob Slighton as the Executive Secretary of this Committee we will have Gerry contact him so that they, together with Bill Morell, can work out an effective program.

Gerry Parsky has worked closely with your people on a number of issues and I am sure that you will find him very positive minded about the work of this committee. I think you will agree that we still have a lot to do to bring the policy level consumers and the intelligence community closer together.

Sincerely,

William E. Simon

William E. Colby
